> Technical Information

Model	2 groups	3 groups
Dimensions	mm	
Width	625	845
Height	472	472
Depth	510	510
Weight	52Kg	67Kg

Features

Model	2 groups	3 groups
XE Semi-Automatic	•	•
XD Evolution Automatica	•	•

Hydraulic specifications

Copper boiler - capacity	Lt. 13	Lt. 21
Independent heat exchangers tied to boiler	2	3
Autonomous brass chrome heating units	2	3
Steam spouts	2	2
Hot water economiser (dosing available with model XD)	1	1
Double scale pressure gauge for boiler and pump	1	1
Visual boiler water gauge	•	•
Automatic boiler filling	•	•
Manual boiler filling	•	•
Automatic anti-suction valve	•	•
Volumetric motor pump (fitted inside the machine)	1	1

Electric features

	Voltage	Watt	
Electric heating at maximum power (main switch set at max power)	240-230/ 415-400V 3N~	5000 4500	6000 5600
Electric heating at reduced power (main switch set at reduced power)	240-230/ 415-400V 3N~	3500 3000	3500 3200
Electric cup warmer	240 V	180 W	240 W

Other features

Coachwork in painted steel	•	•
Colours	Inox Grey	Inox Grey

Optional

Gas heating system (with safety valve cap and piezoelectric lighter)	•	•
--	---	---

Gas heating in Kcal/h

Power with gas heating system	1600	2400
